Part-time Anti-Hunger Program Assistant

Position Available
Maryland Hunger Solutions, an initiative of the Food Research & Action Center, seeks a highly motivated and skilled individual to join Maryland Hunger Solutions as a part-time Anti-Hunger Program Assistant, focusing substantially on outreach, training, and public education on the Supplemental Nutrition Assistance Program (SNAP) or Food Stamps. Organizational Background
Formed in 2007, Maryland Hunger Solutions (MDHS) is the leading Maryland nonprofit working to reduce hunger and improve nutrition in the State of Maryland by improving participation and benefits in public nutrition and related programs. MDHS’s focus is on using federal programs (e.g., SNAP (also known as food stamps)) breakfast and lunch, summer and afterschool nutrition programs, WIC and other programs) to reduce hunger and its adverse effects; to improve economic security, health and nutrition; and to strengthen community institutions.

MDHS works to educate the public and policymakers about the extent of hunger and its impact on Maryland residents, to forge workable solutions at the state and local level, to track the performance of state and local agencies, to identify and spread sustainable best practices and to engage a network of partners to make the federal nutrition programs accessible to all those who are in need. MDHS is a core member of the Partnership to End Childhood Hunger, a public-private coalition that works to raise awareness about childhood hunger in the state and increase participation in nutrition programs that combat hunger. MDHS leads the Maryland Food Access and Nutrition Network and is a key participant in various other anti-hunger and anti-poverty coalitions.
