Following school closures in March of 2020, meals were primarily distributed through the SFSP. As of March 2021, out-of-school meals are still being provided at SFSP sites. Pre-pandemic the SFSP operated from June to August. **The SFSP data were collected from March 2020 to December 2020 and are not representative of a full school year.** The CACFP county-level data do not account for providers that operate sites within multiple counties; these data are represented in the Maryland state CACFP measurements.

Community Eligibility Provision (CEP): **65.19%** of Identified Student Percentage (ISP)

CEP allows schools to offer free meals to all students. Districts or schools can participate if at least 40% of their students are "directly certified" to receive free school meals.

CEP data is based on School Year 2020-2021 data. The utilization of CEP has increased by 9.1% since last year.

**100% of Wicomico schools are Hunger Free schools due to CEP*
